Carolina Beach Music Awards' Nominees for the Best Group Album of the Year - 2020

This was the lineup on their “Those Summer Days” CD. So far, five releases from “Those Summer Days” have landed accumulatively on several Beach Music charts.

It could just have easily been nominated BEST CD OF NOTHING-BUT-ORIGINAL songs.

W. Clay Lee wrote them all, with a group of *Players* to back him.

Although their first CD still has miles to go with other songs primed to hit the charts following “Shaggin’ with My Baby” and “Those Summer Days,” they already have a second CD of ORIGINALS almost ready.

They have a refreshing retro-approach on some songs, while others come all the way up to the edges of today.

Godspeed to Wyman Hunnicutt

-- Fessa’ John Hook

We imagine the late Wyman Hunnicutt, co-owner of the Williams Lake Dance Club, lounging around the heavenly version of the Williams Lake pavilion, no need for sun block, and lotsa friends to share the celestial sunshine.

Wyman and brother Robert brought joy to thousands in the 60s and early 70s with the finest Beach Music bands around.

Billy Scott-the Georgia Prophet celebrating a Merry Christmas

Billy Scott, Janet Helms, and Barbara Scott grace the front cover this month. It's been an interesting year for Billy. His very last recording with Forevermore Music, "Come Back to Me," did well on the charts this year.

His Christian name was Peter Pendleton. We miss him, and celebrate his never-ending smile

Billy Scott: October 5, 1942 -- November 17, 2012

Beach Music Top 40 News

-- Fessa' John Hook

This week's Beach Music Top 40 features Chadwick Station at the # 1 slot for the 2nd week in a row. They're basically a rock band from the UK, now headquartered in Nashville. However, the success of "Cryin' Ain't Gonna Win Her Back" has turned their heads somewhat toward Beach Music. We'll see how far their heads have turned.

The Entertainers continue to rack 'em up on the chart. At # 2 their Drifters Medley opens the way in 2021 for their latest CD (what else is on it? I'm eager to find out).

"Shaggin' with My Baby" by the Carolina Blue Dots has finally surpassed the number four position. They're at # 3, with a CD that has put three songs on the Beach Music Top 40 this year and another is eminent.

Split Shot of South Carolina has #4 this week – they've already been up to # 1. It's their usual, uptempo fare... some boogie and fas' dance throughout.

"Got to Be You" by Gary Lowder and Smokin' Hot has finally found its head, I think. This has been a monster year for Gary Lowder. Well deserved.

Bo Schronce – Wait, I thought he retired?! – retired the Fantastic Shakers, but he's still on the hunt. "Which Way to the Beach" is an update to a song he did a few years ago, and it's apparently being well-received.

Gary Alexander has been on the Beach scene for a long while. Congratulations, Gary, your first solo effort to climb the charts and you're in the Top Ten.

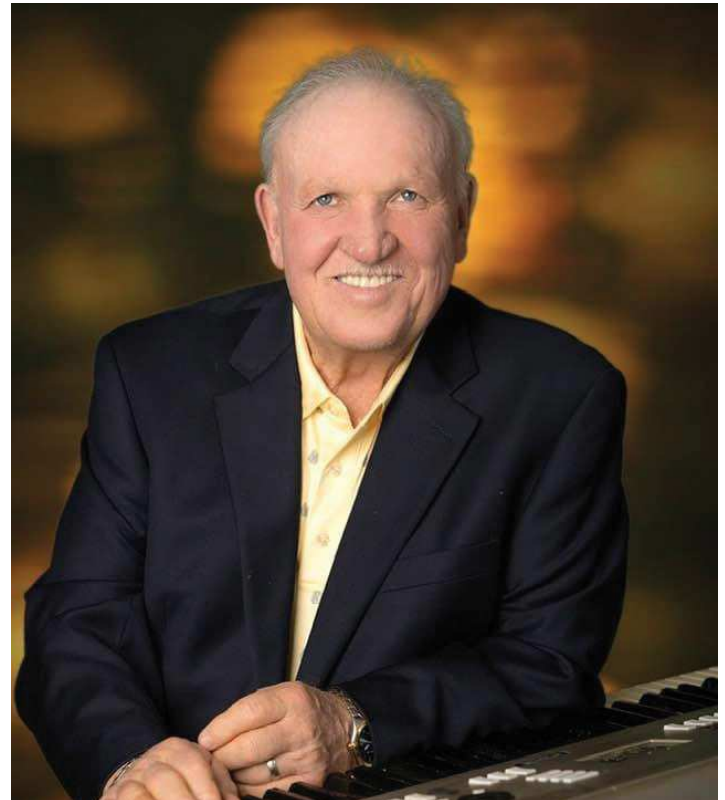

At # 9, Dwight Nichols can't write or sing a bad song with the Catalinas. "Stranded" is melancholy, in a sweet, end-of-the-summer way.

When I first saw the Carolina Blue Dots' "Coolin' Out" I was afraid it was a remake of the Lamont Dozier classic. Fear not! It's an original song, doing well.

Number 11 is Tara Coe's first release. We CAN'T WAIT for the next!

40 is the big surprise out of left field. Morgan Wallen's "Seven Summers" may rank up there with Scotty McCreery's "Barefootin'."

Don Miller, Burlington, NC, Has Taken His Weejuns to Beach Music Heaven

The WEEJUNS of Burlington
Don Miller (owner – manager)

1959

While attending Elon College, (now Elon University), Don Miller and several fraternity brothers (Iota Tau Kappa, known as I.T.K.), were “jamming out” to Rock and Roll music one afternoon with their instruments, just “cutting up” and having fun, in the student union. They were playing the music of the times (the 50’s), Fat’s Domino, Chuck Berry, Jimmy Reed, James Brown, and “Mo-town” sounds. Unaware that another fraternity was listening to them as they played.

Original Group: Don Miller – Electric Guitar & Vocal
Joe Lee – Sax & Vocal
Ham Harding – Trombone & Vocal
Ed Higgins – Piano, Organ & Vocal
Tommy Mastin – Electric Bass
Pat Kelly - Drums

After a while several members of the other fraternity, (Kappa Si Nu) came over and said “you guys are pretty good, can we hire you to play at one of our parties? We laughed and said “sure!” Our first “Gig” was for \$50.00.

We played at the party for Kappa Si on a Saturday night (we had no name, just “The Band”), and on Monday the “buzz word” on campus was that there was a Rock and Roll band on campus!

Several days later I was in line, in the “chow hall”, and the president of the student body came over to me and said: “I hear that you guys have a rock and roll band.” I laughed, and said; “Whatever !?”

He said: “The student body would like to hire you guys to play for a school dance, what is the name of your band?” I told him that we did not have a name, but I was sure that we could come up with one.

THE WEEJUNS
ON ... RECORDS
L to R: Moose Smith, Don Miller, Ronnie Barts, Gwyn Thompson, Johnny Andrews

We did, "THE WEEJUNS", as most students were wearing WEEJUN "penny" loafers at school, and so did the very good "Fast Dancers" down at the beach pavilions. ("the Shag", or "Shagging" was NOT a word back then, we simply said "Do you fast dance?"")

The WEEJUNS played at the college dance and were a success!

Shortly after the school dance a member of the student body went home, to Charlotte, for the week end, and while he was in Charlotte phoned a booking agent "Hit Attractions" and told him about "The WEEJUNS".

I received a letter at the school post office from "Hit Attractions" in Charlotte, N.C. (at that time the largest booking agent in the South), inquiring about "The WEEJUNS". The president, Ted Hall, was asking if he could book the band, and did we have any photos?

We purchased Dinner Jacket Tuxedos with all the trim, and new black Bass "Weejun" Loafers, and made the band photos.

This was our real beginning!

In those days, almost all musicians were playing in Orchestras, Churches,

Country Music bands, or the school band. Don and Tommy, were self taught; Joe, Ham, and Pat had been in high school band; and Ed had taken private lessons. But Now, we all played "by ear"; by learning the songs, of the day, from the 45rpm records.

To my knowledge, at that time, we were the only white guys playing "Rock & Roll" in the Burlington area; and we played mostly black music as was being played on the radio at that time. This was a unique event, something different!

The 60's:

I was still in school on a football scholarship and a Phys. Ed major planning to coach and teach, but after college decided to continue with the band as we were being paid to have fun, and I really liked "Mo-town music."

At this time the word "Beach Music" or "Shag music" did not exist in Burlington.
